

Harbor House Inn

Top 2 B&B's - Santa Barbara

Review Highlights - "Is there really anything better than an Inn that welcomes you with a giant breakfast basket filled with fresh fruit, juices, and just-made banana bread? We thoroughly enjoyed our stay at this lovely Inn. It's clean, in a great location, and even has bikes you can borrow for a trip along nearby oceanfront . Very charming. Great value. I'd definitely stay here again!"
